Thank you to those members who round up their electric bills to the next highest dollar each month. Since the inception of the program in May 2013, 92 grants have been awarded to local organizations totaling over \$301,760. Your small change is really making a big difference for organizations in our community.

Grants are awarded quarterly, with the next round of grants being awarded in March. **Applications are due by February 1st** to be considered for the March disbursement. Any charitable organization within the WIN Energy REMC service territory is eligible to apply. The organization does not have to be a member of WIN Energy REMC. Applications can be picked up at any of the three WIN Energy REMC offices or downloaded at www.winenergyremc.com.
