

Residential Electric Outdoor Equipment

WIN Energy REMC is offering its residential member-consumers the opportunity to apply for an electric outdoor equipment incentive. Products include: electric lawnmowers, leaf blowers, trimmers, chainsaws, snowblowers, rototillers, and power washers. Where you choose to buy your equipment and the brand you choose is up to you.

Electric outdoor tools have proven to reduce carbon footprint and have fewer moving parts than gas-powered equipment. With the advances in battery technology, electric outdoor equipment can run longer and stronger than years before.

Simply fill out an application and submit with your receipt to take advantage of:

- 50% off UP TO \$50 on hand-held and push type equipment
- 50% off UP TO \$150 on riding equipment

I understand and agree to the following terms:

Limit two incentives per member-consumer account per year. Equipment purchased must be new and have a minimum one-year warranty. Equipment must be 100% battery and/or plug-in electrical equipment. Reconditioned or refurbished equipment is not eligible. Completed application and receipt/invoice must be received within 90 days of purchase date or within same program year. Incentives for qualifying purchase are the lesser of \$50/\$150 or 50% of purchase price not including tax. The cooperative has the right to deny incentive if terms and conditions are not met.
